

# PUBLICATION

## INTRODUCTION

Department of Environment and Natural Resources technical reports and maps produced from fauna, flora, vegetation, land and water surveys are available free of charge.

## Spatial Gateway

### DIGITAL MAPS

All maps published by Department of Environment and Natural Resources are available as Adobe PDF, stored in the Mapping Products Digital System (MPDS). These maps cover most of the Northern Territory at various scales ranging from 1:5 000 to 1:2 000 000. There are about 721 published maps in the system and some are accessible to the public from [NR MAPS](#) under the Map Products layer.

### TECHNICAL REPORTS

The Northern Territory Library manages the Department of Environment and Natural Resources technical reports, available for download as Adobe PDF [here](#)

You can also download technical reports from:

- Technical Reports option from the Links tab in [NR MAPS](#)
- Department of Environment and Natural Resources [publication page](#)
- Google search using the report title.

#### Creative Commons Licence for DENR publications
