

Holtze enabling infrastructure

Part B Package 2 works to commence

Dear stakeholder,

Construction for Part B, Package 2 of the Holtze enabling infrastructure project is expected to commence in November 2025 to connect The Parks Living within the Holtze Land Release to essential land servicing infrastructure.

Works will include land clearing to support the extension of Linco Road and the installation of a swale drain between the Linco Road extension and the existing Taylor Road. All works will be completed within the Part B work area.

Please see map overleaf for more details.

Limited noise and dust are expected during this time and any changes to traffic management will continue to be communicated in advance.
