

Quarterly Recordable Incident Report

Please check the following boxes if applicable to this report:

Nil Incident Report:

Interest holder name:	Imperial Oil and Gas	Titleholder business address:	Level 5, 6-10 O'Connell Street, Sydney, NSW 2000	Title of environment management plan for the activity:	IMP3.4 2021 Carp 1 Work Program
Activity type: (e.g. drilling, seismic, HF production)	HF and EPT program	Quarter, Year:	Q2, 1/04/2023 to 30/06/2023	Title details: (e.g. Exploration Permit no.) Production License no.)	EP 187

Incident date and time	All material facts and circumstances	Environmental outcome Or performance standard breached OR Environmental impact or risk not specified in the approved EMP	Immediate action taken to avoid or mitigate any adverse environmental impacts or risks of the incident, including actions to stop or control the incident	Corrective action taken, or proposed, to prevent a similar incident occurring in future
April 2023	<p>Carpentaria 1 was scheduled to be sampled the same day as Carpentaria 2 in April (26 April 2023).</p> <p>Due to a pump malfunction on Carpentaria 2 the sampling program was delayed. This resulted in Carpentaria 1 being sampled on 17 May 2023.</p> <p>Carpentaria 1 groundwater sampling was not undertaken quarterly (due April 2023) as per Ministerial Condition 10.</p>	<p>Ministerial Condition 10: In support of clause B.4.17.2 of the Code, the interest holder must provide to DEPWS, via Onshoregas.DEPWS@nt.gov.au, groundwater monitoring data and an interpretative report of groundwater quality based on the groundwater monitoring required to be conducted at the well site(s) in accordance with Table 6 of the Code.</p> <p>Groundwater data must be provided within one month of collection and be provided quarterly, in a format to be determined by DEPWS.</p>	<p>Carpentaria 1 was rescheduled and sampled on 17 May 2023. Results of the sample were submitted to DEPWS on 23 June 2023. This was within one month of receiving the laboratory sample analysis report.</p>	<p>Quarterly groundwater sampling to continue as planned.</p>
