

### Holtze enabling infrastructure

#### Part A construction works reach 90% milestone

Dear stakeholder,

Construction for Part A of the Holtze enabling infrastructure development is entering the final stages after reaching the 90% complete milestone.

Asphalting of the new duplications of Glyde Point Road and Linco Road are now complete, and all underground service upgrades have been finished.

Line marking of the new Glyde Point Road and Linco Road will commence in the coming weeks.

Part A construction works are on track to be completed by late December 2025, weather permitting. Final works to be completed include street lighting upgrades and landscaping.
