

Stakeholder Notice

Contract awarded for Holtze enabling infrastructure works

Dear stakeholder,

Minister for Lands, Planning and Environment Joshua Burgoyne has today announced a \$19.4 million contract has been awarded to AKJ Services Pty Ltd for the first stage of enabling infrastructure works in the Holtze Development Area.

Minister Burgoyne has said the Northern Territory Government is making the land ready for development by building district level infrastructure, including the widening and extending of roads, water and sewer mains and electrical feeders.

Enabling infrastructure for the Holtze Land Release will be delivered in two main stages, Part A and Part B.

Part A works include construction of enabling infrastructure comprising sewerage, water supply, power, communications, roads, drainage and landscaping

Part B works include construction of additional enabling infrastructure comprising sewerage, water supply, power, communications, roads, drainage and landscaping. These works are currently in design, and construction works are expected to commence in mid-2025 following a tender process.
